B) For Autonomous Institutes

The autonomous institutes shall have liberty to decide the structure and total number of additional credits for the Honors/ minors program. However, total number of additional credits should be 18-20. It was further decided to review the various degrees and curriculum proposed by different Autonomous institutes. The list of programs recommended by the committee for Honors/ Minor degree program for various autonomous institutes and are enclosed in Annexure- I. However, below mentioned rules are applicable to Autonomous institutes as well.

R1.2 Academic criteria for the students aspiring to undertake the program

The eligibility criteria for undertaking the Honors degree program are minimum First class or minimum 6.5 CGPA to students undertaking Honors degree program for the batch starting year A. Y. 2022-23. Such eligibility can be decided on the basis of CGPA or percentage marks scored by the student in previous two years

R1.3 The registration for Honors/Minors Programme will lead to gain additional credits to such students. The result of Honors/Minors Program will get reflected in ledgers to be maintained at university/Autonomous institutes only. After the completion of the Honors/Minors program by concerned students, details of credits earned in Honors/Minors program be printed in the mark sheet of eighth semester. For those students, who will not be able to complete Honors/Minors program, details about the additional credits earned will not get printed.

R1.4 Credits earned through registration and successful completion of the Honors/Minors Programme will **not** be considered for the calculation of SGPA or CGPA. As per the standard practice, SGPA and CGPA calculations will be done with common base only by considering mandatory credits assigned for the Bachelor Programme as per the structure approved by the Academic Council.

R1.5 Students once registered for the Programme need to complete all credits assigned for the specific Honors and Minors Programme in the stipulated 2 years. Degree with Honors/Minors will be awarded only after the completion of Honors/Minors Programme along with respective UG Programme degree. Student may opt to cancel the registration for Honors/Minors within this period of 2 years. After 2 years registration of Honors/Minor expire automatically and Bachelor's degree will be awarded to such a student provided, he has earned the credits needed for graduation.

R1.6 Backlog Honors/Minors courses will not contribute in the decision of A.T.K.T. Backlog for Honors courses for VIII semester is not allowed.

R1.7 The colleges offering the Honors/ Minor degree program should encourage blended learning mode by incorporating the online content available through various platforms to enhance the teaching- learning process. However, such an initiative should be limited to a particular section of a course or at the most one of the courses.

R1.8 The Institutes can involve industry experts for deliberations of a particular course (partially/ completely) so that the students can be exposed to the developments in the new domains offered through Honors degree. Collaboration with Industry for setting up new laboratories in the domain and conduction of Practical work should be encouraged.

R1.9 None of the institutes shall be permitted to undertake complete teaching through online courses (MOOCs)
